SUMMARY

Second-year graduate student with a passion for learning and developing skills in machine learning. Currently studying various technologies to gain experience in data analyzation and visualization through various data science projects.

COMPUTER SKILLS**Languages**

- Proficient: Python
- Experience: C++, Java, C, HTML/CSS, JavaScript, PHP, SQL

Software

- Database: Microsoft SQL Server

EXPERIENCE**Graduate Teaching Assistant**

Jan 2021 – Present

University of Tennessee

- Aids professor in Systems Programming course through grading of student projects.
- Reinforces knowledge of systems concepts taught to students in class.

Undergraduate Research Assistant

May 2019 – Aug 2019

University of Tennessee

- Implemented a GUI using Qt and Python to visualize and process real-time time-series data with application to brain-computer interfaces.

EDUCATION**B.S. Computer Science (3.94 GPA)**

Aug 2016 – May 2020

University of Tennessee - Knoxville, TN

- Summa Cum Laude & Dean's List 2016-2020

M.S. Computer Science (4.0 GPA)

Aug 2020 – May 2022

Middle Tennessee State University - Murfreesboro, TN

- Coursework in Parallel Programming, Database Management Systems, Analysis of Algorithms, Intelligent Robot Systems, Research Methods, and Database Security.
- Taking Intro to Artificial Intelligence, Deep Learning, and Software Engineering in Fall 2021.
